

ANURUDDH YADAV

COLLEGE STUDENT

About Me

I am a motivated BCA student with a strong foundation in programming, web development, and problem solving.

Passionate about learning new technologies, I seek opportunities to apply my skills and gain hands-on experience through internships in the tech industry.

- HTML
- CSS
- Python
- JavaScript
- Video Editing

Education

BCA (Bachelor of Computer Applications)

Year : 2023 - 2026

**College : GOEL INSTITUTE OF HIGHER STUDIES
MAHAVIDYALAYA LUCKNOW**

X (UP Board) = 84%

XII (UP Board) = 70%

Career Objective

I am seeking an opportunity to join a progressive organization where I can use my skills to make a significant contribution to its success. A creative and self-motivated individual, I am willing to work in a challenging environment and aim to contribute my skills and abilities to the organization's growth, ultimately becoming a successful professional.

Internship

Intern - SHRI BALAJI INFOTECH

[24/07/2024] - [24/08/2024]

Assisted in developing software applications and writing code in Java. Worked on debugging and optimizing existing code. Collaborated with senior developers in testing software and writing documentation.

Projects

Virtual Assistant (Self Project)

Technologies Used: HTML, CSS, JavaScript

Developed a browser-based virtual assistant capable of responding to user voice/text commands. Implemented speech recognition and dynamic DOM updates to provide real-time responses.
